

## BREEDING SHED REQUIREMENTS

---

**We do not use Shed Forms**

**A MARE INFORMATION SHEET MUST BE ON FILE WITH THE OFFICE BEFORE ANY MARE WILL BE BOOKED. ALL MARES MUST HAVE PROPER IDENTIFICATION WHEN BEING PRESENTED FOR BREEDING (halter or neck strap with name on it). WITHOUT PROPER IDENTIFICATION AND PAPERWORK THE MARE WILL NOT BE BRED.**

**All Maiden, Barren and Mares Not Bred Last Year: A negative aerobic (regular) uterine culture is required before the initial cover (dated within 30 days prior to cover).**

**All Maiden mares must be jumped before coming to the breeding shed for the first time.**

**Domestic Foaling Mares: No tests are required for the first cover.**

**All mares returning to the breeding shed for a third breeding (exclusive of doubles) will be required to have a negative uterine culture taken after the second breeding.**

**Imported Maiden Mares: All fillies of foreign origin must comply with current USDA and Kentucky Department of Agriculture regulations. All Maiden Mares must be jumped before coming to the breeding shed.**

**Imported Foaling and Barren Mares: Please contact the State Veterinarian's office in Frankfort, Kentucky regarding the proper procedures and acquisition of the Quarantine Releases for current breeding season. A copy of the Release must accompany the mare on her first trip to the breeding shed.**

**CEM/EVA Requirements: Crestwood Farm will comply with the current regulations set forth by the USDA and the Kentucky Department of Agriculture.**

**ALL STALLIONS HAVE BEEN VACCINATED AGAINST EVA FOR THE CURRENT BREEDING SEASON**
